Dear valued patients,

Rising health care costs are a serious problem. Therefore, we want to do everything possible to help control costs and provide patients with quality dental care.

**To help meet your needs we offer the following payment options:**

1. If you are uninsured and paying in full by check or cash at the time of treatment, a courtesy credit of 10% will be applied.
2. If you are insured your co-payment is expected at the time of service prior to filing the insurance claim.
3. We accept payment by Visa, MasterCard, Care Credit, check or cash.
4. Accounts 60 days past due will be subject to 18% interest
5. Accounts 90 days past due are subject to collection proceedings.

After careful consideration, Boardwalk Dental has decided that we will no longer be submitting claims to secondary insurance companies. If you carry double insurance please note the following changes in our policy.

Our office will file the initial claim with your primary insurance company based on the information you provide to us. We will collect your estimated copayment at the time of your treatment. Once the primary has paid, we ask that you pay the remaining balance (if any) to our office. You will then be responsible for filing the claim with your secondary insurance. If you have any questions or need assistance when filing with your secondary insurance, we will be happy to help.

Boardwalk Dental would also like to take this opportunity to thank you for your continued support and devotion to our practice. We strive to provide the very best dental care in a comfortable and relaxed atmosphere.
