

Dear valued patients,

Rising health care costs are a serious problem. Therefore, we want to do everything possible to help control costs and provide patients with quality dental care.

If you have dental insurance we are happy to file your claims as a courtesy. However, it is the patient's responsibility to understand the provisions of their own plan and inform us. This includes eligibility, benefits and yearly maximums. Ultimately, the contract is between you, the patient, and the insurance company.

To help meet your needs we offer the following payment options:

1. If you are uninsured and paying in full by check or cash at the time of treatment, a courtesy credit of 10% will be applied.
2. If you are insured your co-payment is expected at the time of service prior to filing the insurance claim.
3. We accept payment by Visa, MasterCard, Care Credit, check or cash.
4. Accounts 60 past due will be subject to 18% interest
5. Accounts 90 days past due are subject to collection proceedings.

Boardwalk Dental would also like to take this opportunity to thank you for your continued support and devotion to our practice. We strive to provide the very best dental care in a comfortable and relaxed atmosphere.
